Cancellation and Refund Policy for Students on Payment Plans

As a way to support our students Golden Gate School of Feng Shui offers fee-free and interest-free payment plans.

Because our payment plans are not financed through any outside party, it is necessary for us to implement firm policies to honor the interest of the school.

By signing a Payment Plan Agreement, the student is legally obligated to pay tuition in full over the course of their payment plan term. Full refunds minus a \$350 non-refundable registration fee and all early registration discounts are granted up to 30 days prior to the start of the program. Early registration discounts include any of the following: Time-Sensitive discounts and Early Registration Discounts.

Golden Gate School of Feng Shui Cancellation Policies

If the student withdraws or discontinues their participation in the program once it has commenced, for any reason other than exceptional or catastrophic circumstances (to be decided at the school's discretion at the time of discontinuation), they will still be obligated to pay the balance of their tuition in full. The student will receive the amount paid in the form of course credit valid for up to two years minus a \$350 non-refundable registration fee.

Furthermore if payment plan checks do not clear for any reason, the student will be subject to a \$25 bounced check fee and the monthly payment amount will be charged on the student's credit card (which is held on file for the term of the payment plan). A 3.5% credit card processing fee applies for this service. The student will be unable to continue in the program until their payments are up to date.
